About Your Experience

Step into a glowing world of colour with the Splash House UV Paint Experience for Two, Milton Keynes. This immersive creative session invites you to unleash your imagination in a vibrant neon-lit studio where splashing, throwing and painting are all part of the fun. Using UV reactive paints, brushes and splash tools, you'll create your own unique artwork on canvas. There'll be background music throughout, creating an energetic atmosphere which is perfect for embracing creativity.

Protective gear is provided so you can fully embrace the messy creative process without having to worry. At the end of the session, you'll take your finished masterpiece home as a lasting reminder of your artistic adventure.

Whether you're planning a fun date, or a unique activity with a friend, Splash House offers a colourful experience like no other.
